Forest City School Notes.

There seems to be doubt in the minds of some of the patrons as to the purpose of the 8:30 to 3:30 school schedule. Many of our city schools have opened at 8:00 o'clock for the past several years. The Elementary and High School Departments in our State Normal schools begin work at 8:00 o'clock. It is a well-known fact that boys and girls and men and women do their best work during the forenoon. This has been proven conclusively by experiments ranging through a period of years, the results of which show an increasing rapidly until about 11:00 a. m., after which there is a gradual ebb during the afternoon and night until 2:00 a. m., when the normal vitality is lowest. Owing to the fact that the school has lost so much time we deem it advisable to take advantage of every opportunity to improve our work. This schedule also gives students an opportunity to do almost a half day's work at home in the afternoon.

Many of our friends will undoubtedly be glad to know that our piano has been tuned. Mr. R. W. Johnson, of Maryville, tuned it last Saturday.

The Philomathean Literary Society gave their first program last Friday afternoon. It follows:

Instrumental solo, Josephine Birmingham.

Life of Roosevelt, Rene Hunt.

Reading, Jaquetta Golden.

Facts and Figures, Herschel Raiser.

Vocal Duet, Dora Baker and Mabel McGuire.

Lost and Found, Raymond Henning.

Cartoons, Dora Patton.

Instrumental solo, Nellie Wilkes.

Last week the Boys' Basketball team added another scalp to their belt when they won a fast game from the New Point five by a score of 33-17. Both teams played a clean, hard-fought game, but the visitors were outclassed in teamwork by the home boys. Line up of the teams follows:

Forest City	New Point
Bullock	F Boswell, capt.
Raiser, capt.	F Lentz
Hunt	C Boswell
Fawks	G Boswell
Henning	G Cain

Field goals—Boswell 4, Lentz 1, Bullock 5, Raiser 5, Hunt 6. Free Throws—Boswell 7, Raiser 1. Referee—Mark Kunkel, New Point.

The girls also played a game with New Point last week, but were not so fortunate as the boys. The visitors won by a score of 17-8. The Forest City girls were handicapped by lack of practice while the New Point team has an indoor gymnasium and have been playing games all season. At the end of the first half the score stood 5-4 in favor of New Point but the lack of practice of the home girls became evident in the last half and the visitors ran up a good score.

County Agent, W. C. Swarner and G. W. Reavis of Columbia visited the school Tuesday afternoon in the interest of the Boys' Pig Club. Both boys and girls may belong to the latter and it is hoped that some of the boys and girls will take advantage of the aid furnished by the State and United States.

The program given by Miss Boyd's room at the Assembly last week placed much credit upon the teacher and pupils. The first part of the program consisted of recitations and songs, all of which were well rendered and greatly appreciated. Mr. H. H. McSkimming, of the Dorothy Reeves Co., played a number of piano solos, among which were some of his own
